

ASTRO CLEAN ACP-10

ASTRO CLEAN ACP-10 is a surfactant blend exhibiting unusual solubility and surface activity. This cleaner contains emulsifiers and sequestrants and is formulated especially for use in all departments of meat and poultry plants. **ACP-10** removes heavy soils quickly, holding them in suspension to prevent redeposition on the surface. Rinses clean easily. **ACP-10** contains no organic or inorganic phosphates.

ASTRO CLEAN ACP-10 is a SELF-FOAMING cleaner and works well in foaming equipment without the need to add expensive foaming agents. One part **ACP-10** to 50 parts water does the job.

Cleans processing equipment, belts, conveyors, vats, smokehouses, hooks and trolleys, ham molds, meat massagers, smoke trees, walls, floors, etc.

USDA APPROVED as a general cleaning agent for use on all surfaces in official establishments operating under the Federal meat, poultry, rabbit, shell egg grading, and egg products inspection programs.

This **CONCENTRATE** can be effectively used in the "**ELMO**" or **FOAM MASTER** Foamer from Astro Products or in other high efficiency foam generation equipment.

Use as a soak tank cleaner for soaking heavily soiled parts such as oven trays, stainless steel smoke sticks, ham molds, hooks and trolleys, etc.....

Specifications: Amber Liquid - pH (10% solution): 13.4 - Specific Gravity: 1.26
Wt. per gallon: 10.2 Lb.

ASTRO CLEAN ACP-10 is one cleaner you can depend on for all of your heavy duty cleaning needs. Use it as a foam cleaner, soak tank cleaner or as a low pressure spray cleaner. Not for use on aluminum.

CAUTION: ALWAYS wear eye protection, rubber gloves and protective clothing when handling this concentrated product.

FOR USE BY: Meat packing plants, Poultry plants, Nut processors, Seafood processors, Vegetable processors, Bakeries, Confectioners.....
