

ASTRO GOLD

Heavy duty LOW to NO-FOAM Cleaner - Degreaser

Astro Gold is a powerful and unique cleaner formulated with special low-foam, easy-rinse properties.

Simply spray on with one of our handy metering devices such as the Astro Gold sprayer, PMP, or Handi-Flood; or apply with one of the many brushes available from Astro Products.

ASTRO GOLD penetrates rapidly and works fast to soften and suspend soil so that it can be easily rinsed away. For faster cleaning, apply with the **ASTRO GOLD** Sprayer, agitate with a brush or nylon scouring pad and rinse. Low foam makes rinsing very easy and complete. You will notice a nice sheeting action when you rinse and shorter drying times.

Stainless steel and other metals shine like new after being cleaned with **ASTRO GOLD**. For best results, stainless steel that has a buildup of hard water deposits may need to be acid cleaned before using Astro Gold.

Rinses spot-free and leaves vehicles looking like new.

1 oz per gallon of water does the trick

Makes stainless cookware shine.

For heavy buildup, just pour a little Astro Gold in and let it soak. Wipe clean!

Cleans heavily soiled farm and industrial equipment.

2 - 10 oz per gallon of water handles most jobs.

ASTRO GOLD is a highly alkaline solution and should be handled with rubber gloves and eye protection. Keep out of reach of children.

Safe to use on most surfaces. If in doubt, test a small area before proceeding.

Use **ASTRO GOLD** to clean cars, trucks, tractors, forklifts, walls, floors, equipment of all types..... This economical formula will save time and money on all of your cleaning jobs.

Easily applied with the
ASTRO GOLD
Sprayer
