

FOAM CLEAN #20

FOAM CLEAN #20 is a highly alkaline cleaning compound containing NO CAUSTIC ingredients. Safe for use on all metals without pitting or corrosion.

Quickly emulsifies animal fats and vegetable oils and holds them in suspension. Rinses easily.

FOAM CLEAN #20 is a high foaming detergent blend which produces a thick, rich clinging foam when applied with foam generation equipment such as the "ELMO" or **FOAM MASTER** foamers from Astro Products, Inc.

Excellent for use on ALL processing equipment, walls, floors, smoke sticks, ovens and smokehouses.

FOAM CLEAN #20 is the perfect product to use for cleaning equipment containing aluminum or other soft metals.

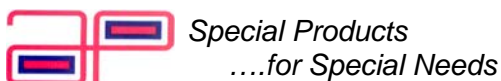

Specifications: Golden Yellow Liquid - pH: 11.6-11.8 Specific Gravity: 1.106

Concentrated: **FOAM CLEAN #20** is effective at dilutions as high as 100:1.

USDA APPROVED as a general cleaning agent for use on all surfaces in official establishments operating under the federal meat, poultry, shell egg grading, and egg products inspection programs.

FOR USE BY: Meat packing plants, Poultry plants, Bakeries, Canneries, Seafood processors, Vegetable processors, Confectioners.....

ALWAYS WEAR eye and skin protection when handling **FOAM CLEAN #20**.
