

HATCH 'N KLEEN

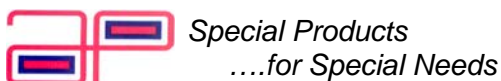

CONCENTRATED TRAY WASH

HATCH 'N KLEEN is a powerful corrosion inhibited alkaline cleaner for chemically removing all types of soils from plastic and metal hatchery trays. Provides outstanding cleaning action with excellent streak free rinsing to leave a bright clean surface with no chemical residue.

HATCH 'N KLEEN is non-toxic, non-corrosive, non-flammable, non-caustic, and completely safe on all plastic, galvanized steel, and aluminum trays. Special additives fight hard water ions and promote rapid cleaning in both hard and soft water.

HATCH 'N KLEEN may be metered with chemical proportioners to control usage. Normal cleaning dilutions are from 1/4 to 1/2 ounce per gallon of water.

USDA APPROVED as a general cleaning agent for use on all surfaces in official establishments operating under the federal meat, poultry, shell egg grading, and egg products inspection programs.
