

STREAK-B-GONE™

BLACK STREAK REMOVER

IMPORTANT
Please Read before using

Here is your Streak-B-Gone™

You will find this product to be one of the best to come along in many years. It actually works! However, it is **very** important that you use as directed.

Please follow these instructions carefully. For assistance please call: **800-637-7210**

DIRECTIONS

For best results in removing bad black streaks:

1. Start with a dry trailer.
2. Spray Streak-B-Gone™ directly on the trailer from the bottom up.
3. Let soak for 15 to 20 seconds.
4. Brush or wipe with a damp brush or cloth.
5. **Rinse thoroughly from the top down.**

Notes: 1) **Before using SBG be sure to test on an inconspicuous area for compatibility with the finish. SBG will not harm good finishes such as high solids polyurethane. Exercise caution when using on striping or old paint.**

Wear rubber gloves and eye protection when handling this product. Do not breathe vapors or mist.

- 2) **You MUST rinse after removing black streaks or you will leave a chemical residue.**
- 3) **Do not let Streak-B-Gone™ dry on the trailer. If it does dry, apply more Streak-B-Gone™, brush and rinse thoroughly.**
