

ASTRO GOLD

Nonfood Compounds
Program Listed (A1)
#122128

ASTRO GOLD is a low to no-foam concentrate from **Astro Products**. This powerful formulation is biodegradable and easy to use. Simply spray on with one of our handy metering devices such as the **ASTRO GOLD** sprayer or apply with one of the many brushes available from **Astro Products**. **ASTRO GOLD** penetrates rapidly and works fast to soften and suspend soil so that it can be easily rinsed away. Low foam makes rinsing very easy and complete resulting in a nice sheeting action when rinsed and shorter drying times.

Use the **ASTRO GOLD HS-1008** Sprayer for faster clean ups. Apply with the sprayer, brush as needed and then rinse for a spot free surface.
