

# FLOOR SCRUB II

**FLOOR SCRUB II** is a highly concentrated lightly alkaline cleaner containing a combination of detergents and chelants for quick and easy removal of most types of soil on polished concrete, terrazzo, marble and other stone surfaces. Concentrated, as little as four to six ounces per gallon of water does most cleaning jobs.

**FLOOR SCRUB II** is a low foaming detergent that is safe for use on all cementitious surfaces and is particularly effective when applied with an auto scrubber.

**FLOOR SCRUB II** includes agents to help fill in micro-cracks that trap soils and lead to noticeable fissures in a polished surface. Safe for use on textured surfaces with divider strips and other embedded features.

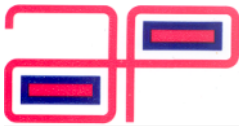

**Applications:** Use to clean concrete floors in bakeries, poultry and meat processing plants, seafood, nut, and vegetable processers, auto showroom floors, etc.

**Benefits:** Low foaming, powerful cleaning action  
Highly concentrated  
No organic or inorganic phosphorus  
No solvents or VOC issues  
Non-toxic, non-flammable, and non-corrosive

**Use levels:** Use 4 oz. - 6 oz. per gallon of water in automatic floor scrubbers.

**Specifications:** Appearance: Light yellow thin liquid  
pH: 7.0 - 8.5  
Specific gravity: 1.04

**Cautions:** Product can cause eye irritation if contacted. Use proper personnel protection.
