

# HATCH 'N FOAM

**HATCH 'N FOAM** is a powerful corrosion inhibited foaming alkaline cleaner for chemically removing all types of soils from walls, floors and equipment in hatcheries and egg processing plants. Provides outstanding cleaning action with excellent streak free rinsing to leave a bright clean surface with no chemical residue.

**HATCH 'N FOAM** is non-toxic, non-corrosive, non-flammable, non-caustic, and completely safe on all plastic, galvanized steel, and aluminum surfaces. Special additives fight hard water ions and promote rapid cleaning in both hard and soft water. Excellent for use in hatchers and other areas where yellow stains are a problem. **HATCH 'N FOAM** works well with all types of foaming equipment. Foamers from **Astro Products** that use compressed air produce the densest foams.

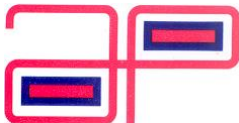

**Applications:** Hatchers, walls, floors, restrooms, general hatchery cleaning

**Benefits:** High foaming powerful cleaning action  
Highly concentrated for diverse uses  
Rinses cleanly with no streaking or spotting  
No solvents, VOC's, organic or inorganic phosphorus

**Use levels:** Apply with a foam machine at 1 oz. – 2 oz. / gallon for light applications. 4 oz. – 6 oz. / gallon for heavily soiled equipment or surfaces.

**Specifications:** Appearance: Straw colored thin liquid  
pH: 12.5 – 13.5 as is  
Specific gravity: 1.08 – 1.09

**Cautions:** Safe to use on most surfaces including aluminum, spot check if uncertain. Product is strongly alkaline, use proper personnel protection when using.
