

Automatic dilution and application of liquid cleaning compounds and sanitizers is easy and convenient with the Astro Hose End Foamer. Simply insert the correct metering tip for the dilution you want, fill the container and connect to a regular garden hose - quick and easy!

To rinse, simply disconnect the sprayer from the concentrate container by means of the handy quick coupler.

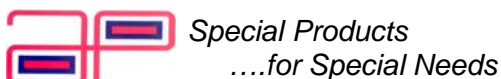

HOSE END FOAMER

Features:

- Compact, easy to store
- Reduces exposure to chemical concentrates
- Reduces waste
- Built with quality components
- No installation required

Use to clean and apply sanitizer in:

- Food processing plants
- Hatcheries
- Restaurants
- Super markets
- Health care facilities
