

ULTIMATE HATCHERY CLEANER

Ultimate Hatchery Cleaner is a powerful mildly alkaline foaming cleaner for chemically removing all types of soils from walls, floors and equipment in hatcheries and egg processing plants. Provides outstanding cleaning action with excellent streak free rinsing to leave a bright clean surface with no chemical residue.

Ultimate Hatchery Cleaner is non-toxic, non-corrosive, non-flammable, non-caustic, and completely safe on all plastic, galvanized steel, and aluminum surfaces. Special additives fight hard water ions and promote rapid cleaning in both hard and soft water. Does an excellent job of cleaning hatchers. **Ultimate Hatchery Cleaner** works well with all types of foaming equipment. Foamers from **Astro Products** that use compressed air produce the densest foams.

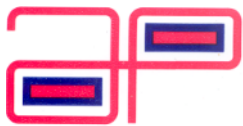

Applications: Hatchers, walls, floors, restrooms, general hatchery cleaning

Benefits: High foaming powerful cleaning action
Highly concentrated for diverse uses
Rinses cleanly with no streaking or spotting
No solvents or VOC's

Use levels: Apply with a foam machine at 2 oz. – 3 oz. / gallon for light applications. 4 oz. – 6 oz. / gallon for heavily soiled equipment or surfaces.

Specifications: Appearance: Green viscous liquid
pH: 8.5 - 9.0 (1% solution)
Specific gravity: 1.03 - 1.05

Cautions: Safe to use on most surfaces including aluminum, spot check if uncertain. Use proper personnel protection when using.
